And The Winner Is.....

John and Rose Kopenski won the gift certificates from HomeTown Buffet for the January drawing. To be eligible for the monthly drawings just pay your space rent on or before the first of month. If the office is closed, you can drop the envelope in the mail slot or slide it under the office door.

Greatly Appreciated

Thank-you to the many residents that took the time to review the 2005 information packet and returned the signed form to the office.

If your packet got buried in the after holiday clutter, please take a minute to dig it out, review the information, sign the requested papers and return them to the office. If you cannot find the big white envelope that was delivered the last week in December, please give us a call at 449-1800 and we will be happy to provide you with another copy.

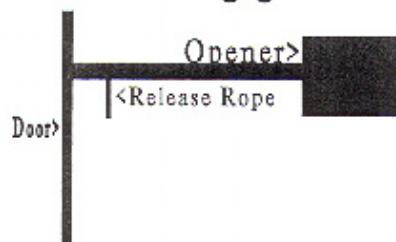

We can provide better service when our information is correct.

Tip of the Month from Your DPT

How to open your garage door when power is off.

Pull emergency release rope down and towards power unit. Door will then open manually.

To re-connect, pull rope down and release, then with your remote move door up or down to re-engage.

No Smoking

Both of the Clubhouses are designated as "**NO SMOKING**". The NO SMOKING also applies to the restrooms and the Jacuzzis. Many mornings cigarette butts and ashes are found on the floors of these areas. Thank-you for your cooperation.

Holiday Decorations

We would like to thank everyone who decorated their home for the holidays. The park looked very festive. Please take the time now to remove and store, until next year, all of the lights, flags, wreaths and other holiday items.

Speed

Please obey the posted speed limit in the park. Remind guests and contractors to respect the Rules and Regulations of the park.
