Ask Permission

Before removing fruit, vegetables or plant cuttings from a resident's yard, please get permission from the resident. Most of the people in the park would be happy to share.

Speed

Please obey the posted speed limit in the park. Remind guests and contractors to respect the Rules and Regulations of the park.

And The Winner Is.....

Wesley and Kathryn Walden won the gift certificate for the January drawing. To be eligible for the monthly drawings just pay your space rent on or before the first of month. If the office is closed, you can drop the envelope in the mail slot or slide it under the office door.

Rules and Regulations

Each resident of New Frontier signed a copy of the Rules and Regulations and agreed to comply with the rules. No where in the Rules and Regulations was it stated that "*if my neighbors comply, so will I.*" The Rules and Regulations are for the benefit of all the residents and each resident is expected to fulfill the commitment he or she made. The section titled PETS (page 17 and 18) spells out that each resident may have 1 pet. All pets must be registered with the office and prior approval is required before obtaining a new pet. A picture of your pet is to be provided to the office. Pets may not be left outside at night or when the resident is not on the premises. Animal waste must be disposed of daily.

Please comply!

Holiday Decorations

We would like to thank everyone who decorated their home for the holidays. The park looked very festive. Please take the time now to remove and store, until next year, all of the lights, flags, wreaths and other holiday items.
