And The Winner Is....

Leo Rickwa was the April winner of the HomeTown Buffet gift certificate. His name was drawn from the stack of rent receipts of the residents who paid their space rent on or before the 1st of the month.

Respect

Many residents are flying the American Flag as a show of support and solidarity. Flying the flag carries with it the responsibility to follow the American Flag Rules and Regulations. There are many of these, but the ones that would apply to most Americans are:

If the flag is left up 24 hours a day, it must be illuminated.

It is not to be flown in inclement weather. It should never touch the ground.

When in poor condition, it is to be taken down and properly disposed of by fire. (American Legion posts will take care of this disposal.)

Garden Tips

According to Sunset, now is a good time to fertilize roses, annual flowers, vegetables, container plants, lawn, and other actively growing plants. Also, as the summer heat approaches, remember to deep water your plants. This will keep them healthy and happy

Pesky Weeds

April showers not only brought May flowers but also brought some pesky weeds. Now is the time to get rid of the weeds before they get too big to pull. Thank - you for the many landscape beautification projects that are in progress or recently completed.
