

New Frontier Newsletter

May 2005 Edition

Memorial Day

The office will be closed on Monday, May 30th to honor those who gave their life in the service of our country.

Trash pickup will be delayed one day. Trash containers should be at the curb on Thursday, June 2nd. Call Waste Management at 596-5100 for additional information.

Swimming Pools

The South Clubhouse pool will be closed during the month of May for renovations. We apologize for the inconvenience to you and your guests.

Pets

I received a really good suggestion from a resident this past month. She found a lost pet and traced the owner through the Animal Shelter since it had a license tag on its collar. How much easier it would have been if there had been a tag with a phone number or a space number. Petsmart does sale engraved tags. You may want to consider adding one to your pet's collar.

Maintenance Update

The tennis court resurfacing and new wind screen should be completed as you read this newsletter.

The first phase of the street repairs should also be done. Bostick will return in the summer to seal all of the streets.

New fencing and new exit and entrance gates will be installed in early May.

And The Winners Are....

Hank and Wanda Sallee were the April winners for the gift certificate. Their name was drawn from the stack of rent receipts of the residents who paid their space rent on or before the 1st of the month.

Respect

Flying the flag carries with it the responsibility to follow the American Flag Rules and Regulations. There are many of these, but the ones that would apply to most Americans are:

- * If the flag is left up 24 hours a day, it must be illuminated at night.
- * It is not to be flown in inclement weather.
- * It should never touch the ground.
- * When in poor condition, it is to be taken down and properly disposed of by fire. (American Legion posts will take care of the disposal.)

Garden Tips

According to Sunset, now is a good time to fertilize roses, annual flowers, vegetables, container plants, lawn, and other actively growing plants. Also, as the summer heat approaches, remember to deep water your plants. This will keep them healthy and happy.

Pesky Weeds

March showers not only brought May flowers but also brought some pesky weeds. Now is the time to get rid of the weeds before they get too big to pull. Thank - you for the many landscape beautification projects that are in progress or recently completed.
