## May 2008 Edition

### *Memorial Day*

The office will be closed on Monday, May 26th to honor those who gave their life in the service of our country.

Trash pickup will be delayed one day. Trash containers should be at the curb on Thursday, May 29th. Call Waste Management at 596-5100 for additional information.

### *Safety Reminder*

When walking after dusk or before dawn remember to :

- Wear light colored clothing.
- Carry a switched on flashlight.
- Walk near the curb; not in the center of the road.
- Look both ways before entering the street from the green belt.

### *DPT*

Thank-you Stephen and Carl for hosting the informative as well as fun DPT meeting in April. Thank-you to all the team members and guests that attended. It was a good meeting and a timely reminder how important it is to be prepared. Residents giving of their time and talents make this a great community.

### *Garden Tips*

According to Sunset, now is a good time to fertilize roses, annual flowers, vegetables, container plants, lawn, and other actively growing plants. Also, as the summer heat approaches, remember to deep water your plants. This will keep them healthy and happy.

### *And The Winners Are....*

Cliff and Lottie Simpson were the April winners for the gift certificate. Their name was drawn from the stack of rent receipts from residents who paid their space rent on or before the 1st of the month.

### *Respect*

Flying the flag carries with it the responsibility to follow the American Flag Rules and Regulations. There are many of these, but the ones that would apply to most Americans are:

- \* If the flag is left up 24 hours a day, it must be illuminated at night.
- \* It is not to be flown in inclement weather.
- \* It should never touch the ground.
- \* When in poor condition, it is to be taken down and properly disposed of by fire. (American Legion posts will take care of the disposal.)
