

New Frontier News

July 2004

Office Closed

The office will be closed on Monday, July 5th to celebrate the holiday. Trash pickup will not be delayed. Please call Waste Management at 596-5100 for questions concerning trash pick up.

Pool Exercise

The exercise class will move out to the pool on Wednesday, July 7th at 8:15 AM. We have a new instructor if you have not been attending the class. Come meet Jackie !

Suspicious Activity

At any time that a suspicious person or suspicious activity is observed in the park, residents should call the Sheriff at the non-emergency number which is 858-565-5200. Call 911 if you feel threatened or in danger.

To reach the New Frontier Staff at any time call 449-1800, 24 hours a day. Please do NOT call park employees at their homes or knock at their doors. The answering service will make the decision who to call if assistance is needed whenever the office is closed. Thank -you for your co-operation.

Pets

The rules state that all pets must be kept on the resident's space and no pets are allowed to roam freely. It is important that residents not allow pet food to remain out of doors as it attracts stray animals. Stray animals become a nuisance as well as a health hazard to both your own and your neighbor's pets.

And The Winner Is.....

John and Rose Kopenski won the gift certificates from HomeTown Buffet for the June drawing. To be eligible for the monthly drawings just pay your space rent on or before the first of month. If the office is closed, you can drop the envelope in the mail slot or slide it under the office door.

Thank-you

The C.E.R.T. Drill was a huge success and the media coverage was very positive. Thank-you to the members of the New Frontier Disaster Planning Team for your participation. Thank-you to the residents that donated the use of their homes for the drill. Thank-you to the residents that donated their time to become "victims". It is great to have so many people working together for the benefit of the residents of New Frontier.

Ham Radio Operators

We are looking for a radio operator to join the New Frontier Disaster Planning Team. If you are interested, please contact Janice or Stephen.

American Flag

As we celebrate our nation's birthday, it might be a good time to replace the flags that have become very faded or tattered. The American Legion will properly and respectfully dispose of American flags that are in poor condition. You can bring your discarded flag to the office by July 10th and we will transport them to an American Legion post for disposal.
