

New Frontier News

July 2005

Office Closed

The office will be closed on Monday, July 4th to celebrate the holiday. Trash pickup will be delayed. Please call Waste Management at 596-5100 for questions concerning trash pick up.

Pool

The work at the South Clubhouse Pool has been completed until October. In October the pool will again be closed for one week so that the pool deck can be resurfaced.

Suspicious Activity

At any time that a suspicious person or suspicious activity is observed in the park, residents should call the Sheriff at the non-emergency number which is 858-565-5200. Call 911 if you feel threatened or in danger.

To reach the New Frontier Staff at any time call 449-1800, 24 hours a day. Please do NOT call park employees at their homes or knock at their doors. The answering service will make the decision who to call if assistance is needed whenever the office is closed. Thank -you for your cooperation.

Pets

The rules state that all pets must be kept on the resident's space and no pets are allowed to roam freely. It is important that residents not allow pet food to remain out of doors as it attracts stray animals. Stray animals become a nuisance as well as a health hazard to both your own and your neighbor's pets. Pet waste should be picked up daily.

And The Winner Is.....

Paul and Judy Eddinger won the gift certificate for the June drawing. To be eligible for the monthly drawings just pay your space rent on or before the first of month. If the office is closed, you can drop the envelope in the mail slot or slide it under the office door.

Thank-you

Thank-you to the majority of residents for your cooperation as we make improvements to the park. We are aware that this work can be an inconvenience and we appreciate the support we receive. There are some projects to be completed. Next on the agenda, starting in July, will be the painting of the clubhouses. Access to the clubhouses will depend upon the area being painted. Please bear with us and use alternate doors when necessary.

Street Paving

Paving and sealing of the park streets has been completed and we do not anticipate the need to close the streets again for a couple of years.

American Flag

As we celebrate our nation's birthday, it might be a good time to replace the flags that have become very faded or tattered. The American Legion will properly and respectfully dispose of American flags that are in poor condition. You can bring your discarded flag to the office by July 10th and we will transport them to an American Legion post for disposal.
