Pool Closed

The South Clubhouse pool will be closed the week of October 3rd. The pool deck will be resurfaced and the pool furniture will be refinished.

This should complete all of the projects for 2004.

The many improvements this year included resurfacing the streets and tennis courts, replacing all of the wrought iron with new vinyl fencing and replacing the entrance and exit gates. Both clubhouses have been painted. The South Clubhouse pool was resurfaced.

We appreciated your patience.
